

LOC Committee Meeting summary June 2026

The Langdale Owners' Club Committee met at Langdale on the 6th of June 2026.

The Club's accounts for period 12 were reviewed. As the Reserve Fund balance was in a very good position it was agreed to invest £1.2m in order to receive greater interest than is currently achieved.

The positive contribution of Eryn Brolly, Deputy Timeshare Manager, was highlighted by Morgan Bell in the Timeshare Operational update. In addition, it was noted that the refurbishment of the Elterwater Hall bedrooms had been well received by Owners.

The project to refurbish Beckside East, West and Brackens is on schedule to be completed by the end of June. Many useful lessons have been learned in the process, which will be invaluable as the Committee and wider team begin planning the refurbishment of the Scandinavian lodges and lodge 81 and 82.

It was reported that the Committee had met with the Architect and Director from Manning Elliot and the Interior Designer and Director from James Grey Bespoke in a fact finding workshop as part of the planning for these refurbishments.

Eryn Brolly presented an excellent Communications Strategy document which was developed in light of the comments made in the Communication Survey completed by Owners last year. One key feature is an improved website on which redesign work is well underway.

The agenda for the Summer Meeting to be held at the National Space Centre on the 28th June was discussed.

Full Committee Meeting minutes will be available on the website after approval.
